

# Growth Group meeting notes

# Deuteronomy 4

Meetings on 22<sup>nd</sup>/23<sup>rd</sup> October 2024

- Please read together *the whole* of Deuteronomy 4. I suggest you share it out.
- What struck, challenged or encouraged you from Sunday's reading and sermon?
- God wants his covenant people to live rightly with him, which we know from his word. What does Moses say about God's law that encourage us in the same ways?
- What does God's refusal to be seen (v. 15) and his refusal to be represented by visible things (vv. 16-19, 23) reveal about his uniqueness?
- What are the *patterns* of worship that we see in our culture?
- Know that the LORD is God. How is Israel to recognise that this is true and that they should know this? What about us?
- Case study: what would you say to someone who says, '*your God is just one of many. Other people have their gods. I need to respect whatever is true for them, too*' ?
